

Appendix 1 Informed consent

Non-conventional fees and technical services 2026

Fees:

Basic consultation (minimum 60 minutes)	250,-
Specialized consultation	300-400,-
Follow-up consultations	150-300,-
Perfusion before/after consultation	50,-

Technical Services:

Sample collection with test kits	55,-
Sample collection during consultation and/or infusion	35,-
Infusion nursing fee	60,-
Injection (IM/SC)	55,-
Injection during consultation/infusion	35,-
Impedance measurement	75,-

I understand that the fees for consultations fall outside the RIZIV system, that no reimbursement through the health insurance fund is possible, and that the consultation fees vary between € 250 and € 400 , depending on the services provided and the time spent.
